

In an effort to better serve our valued guests, the Inn at Saratoga is proud to announce our multi-million dollar renovation. Your stay will soon be enhanced by our modernized guest rooms, meeting space, lobby, creekside patio, and brand new bar!

Tentative beautification dates are as follows, we will be open for your business during this time and welcome guests to stay with us:

- **Late March, 2019 - Late Summer 2019:** A portion of our hotel property/rooms will be **under renovation**, floor by floor. Please note some floors and public spaces will still be in modernization mode through mid summer of 2019.
- During our renovation period, **the variety of daily breakfast offerings will be limited.** The good news is that a hot breakfast bar and lobby bar will be added post-remodel!
- The Inn at Saratoga normally welcomes dogs for a small fee; however, please note, **we are unable to accept pet dogs during our 2019 remodel.** Stay tuned as we will be launching our updated dog-friendly rooms in late summer!

If you currently have a reservation with us during this timeframe and wish to adjust your reservation, please reach out to us. We look forward to sharing our newly renovated hotel with you, a few sneak peek pictures are below! Feel free to contact us directly with any inquiries: info@innatsaratoga.com.

Sincerely,
Maria Rees
