

In an effort to better serve our valued guests, the Inn at Saratoga is proud to announce our multi-million dollar complete **major renovation**. Your stay will soon be enhanced by our modernized guest rooms, meeting space, lobby, creekside patio, and brand new bar!

We will be open for your business during this time and welcome guests to stay with us, but want to be transparent. This major renovation includes scaffolding around the building, jack hammering, and loud noises 8am-5pm daily.

- **Spring 2019 - Late Fall 2019:** *The hotel property/rooms will be under major renovation.* Please note some floors and public spaces will still be in modernization mode through early fall of 2019 and not available for public use, including the fitness room.
- For weekly renovation updates and pictures, please visit [our Facebook page](#).
- During our renovation period, ***the variety of daily breakfast offerings will be limited to grab and go items.*** The good news is that a hot breakfast and lobby bar will be added post-remodel!
- The Inn at Saratoga normally welcomes dogs for a small fee; however, please note, ***we are unable to accept pet dogs during our 2019 remodel.***

If you currently have a reservation and wish to adjust your reservation, please contact us immediately by emailing: info@innatsaratoga.com. We look forward to sharing our newly renovated hotel with you, a few sneak peek pictures are below!

Sincerely,
Maria Rees
